GREEN HOUSE

丛林酒屋

Green House是一家巷贩小酒与葡道合作共创的即兴酒吧， 位于上海市武康路武康庭中。大家希望Green House能体现出巷贩小酒中的探险精神， 于是将酒吧转化成了一间隐藏在热带森林中的小酒屋，所以我创作出了一些例如花草、老虎以及其它小生物等等跟雨林、冒险、鸡尾酒相关的插画作为墙面装饰。

Green House is a Popup bar presented by Peddlers Gin Company and Pudao. It's located in Ferguson Lane, Wukang road in shanghai. When everyone wanted Green House can reflect the adventurous spirit, they turned the bar into a small cocktail cabin hidden in a tropical forest. So I created some illustrations related to rain forest, adventure and cocktails such as botanicals, tigers and other little creatures as the decoration of the bar.
